Report of the president  
GRIBOI account / Treasurer's report  
GRIBOI 2017 (Boston)  
GRIBOI 2018 (Athens)  
GRIBOI Board and Scientific committee 2016-2017  
Varia

1. The agenda was presented to and validated by the attendees. The attendees were asked to fill in the attendance lists to register their presence.

2. The 2015 GA minutes were approved by the attendees. It was indicated that these are available at the GRIBOI's website ([www.griboi.org](http://www.griboi.org)).

3. Marc Bohner, GRIBOI president, presented his report for the 2015 – 2016 period. It was mainly focused on GRIBOI finances and the proceedings of GRIBOI 2015 and GRIBOI 2016. He mentioned that the proceedings of 2015 and possibly those of 2016 would be published in the "European Cells and Materials" (ECM) journal once GRIBOI would receive the membership fees for 2016 (20 € per participant).

GRIBOI 2016 organizers were thanked for their work.

4. Christèle Combes presented the treasurer's report. The account balance of the GRIBOI at March 2016 was of 380 € but still some aspects needed to be considered as the income from the participants of the 2016 meeting and some final balances of previous meetings due to pending payments. The budget for 2016 includes the payment of the proceedings for GRIBOI 2015 and 2016 as well as the ECM sponsoring.

5. Slides concerning the 2017 GRIBOI meeting were presented. This meeting will take place in Boston. The 2017 GRIBOI meeting website should be available soon. Joshua A. Hirsch and Allan L. Brook, who could not attend GRIBOI 2016, sent their greetings to all the participants and invited them to meet them at Boston for the 2017 GRIBOI meeting.

6. Alexis Kelekis presented the 2018 GRIBOI meeting. This meeting will take place in Athens, Greece. Alexis gave a complete overview of the main points around the GRIBOI 2018 meeting and Athens. He invited the participants to come to Athens for the 2018 GRIBOI meeting.

7. The possibility for a meeting in 2019 taking place in North America was discussed but this need to be further discussed with possible candidates and with G. Baroud, Vice-President Annual Meetings.

8. M. Bohner presented the Board committee. He announced his resignation from the presidency and proposed A. Kelekis as new president. Dr Kelekis is an interventional radiologist of Greece who has been an active GRIBOI member for years, and who is organizing the 2018 GRIBOI meeting. The GRIBOI members accepted this proposal. A. Kelekis was officially appointed as GRIBOI president. As his first action as president A. Kelekis asked the attendees to vote for the proposal of having M. Bohner as an Honorary president. The attendees voted in favor of this. The Vice-President America position is still vacant. So, the Board for 2016 -2017 is:
